Associate Professor (Medicine) at University of Sydney and University of Melbourne

Galaxy Li, MD
Program Chair

For the first time ever, our Society presents SPPM Global, featuring experts from across the world with evidence-based lectures reflecting "A Continuum of Acute and Chronic Pain." It is my honor to serve as conference chair and connect us to an international panel of experts in Australia, Great Britain, the United States, and New Zealand in the comfort of your home wearing whatever you want, and in the company of your loved ones.

Go to [SPPMglobal.org](https://www.sppmglobal.org) for information about the conference, speakers, SPPM membership, and more! Follow us on Twitter [@PedsPainMed](https://twitter.com/PedsPainMed) #sppmglobal.
